The guiding spirit in organizing our Wren High School was Peter Fostnaught, who taught at Wren from 1905 to 1914. As all former teachers will testify, Mr. Fostnaught was a true inspiration to all who came under his instruction. In the classroom, he was an excellent teacher. In his private quarters at the La Rue Hotel, he was always ready to give aid and advice, and in the community he was a valuable member to society.

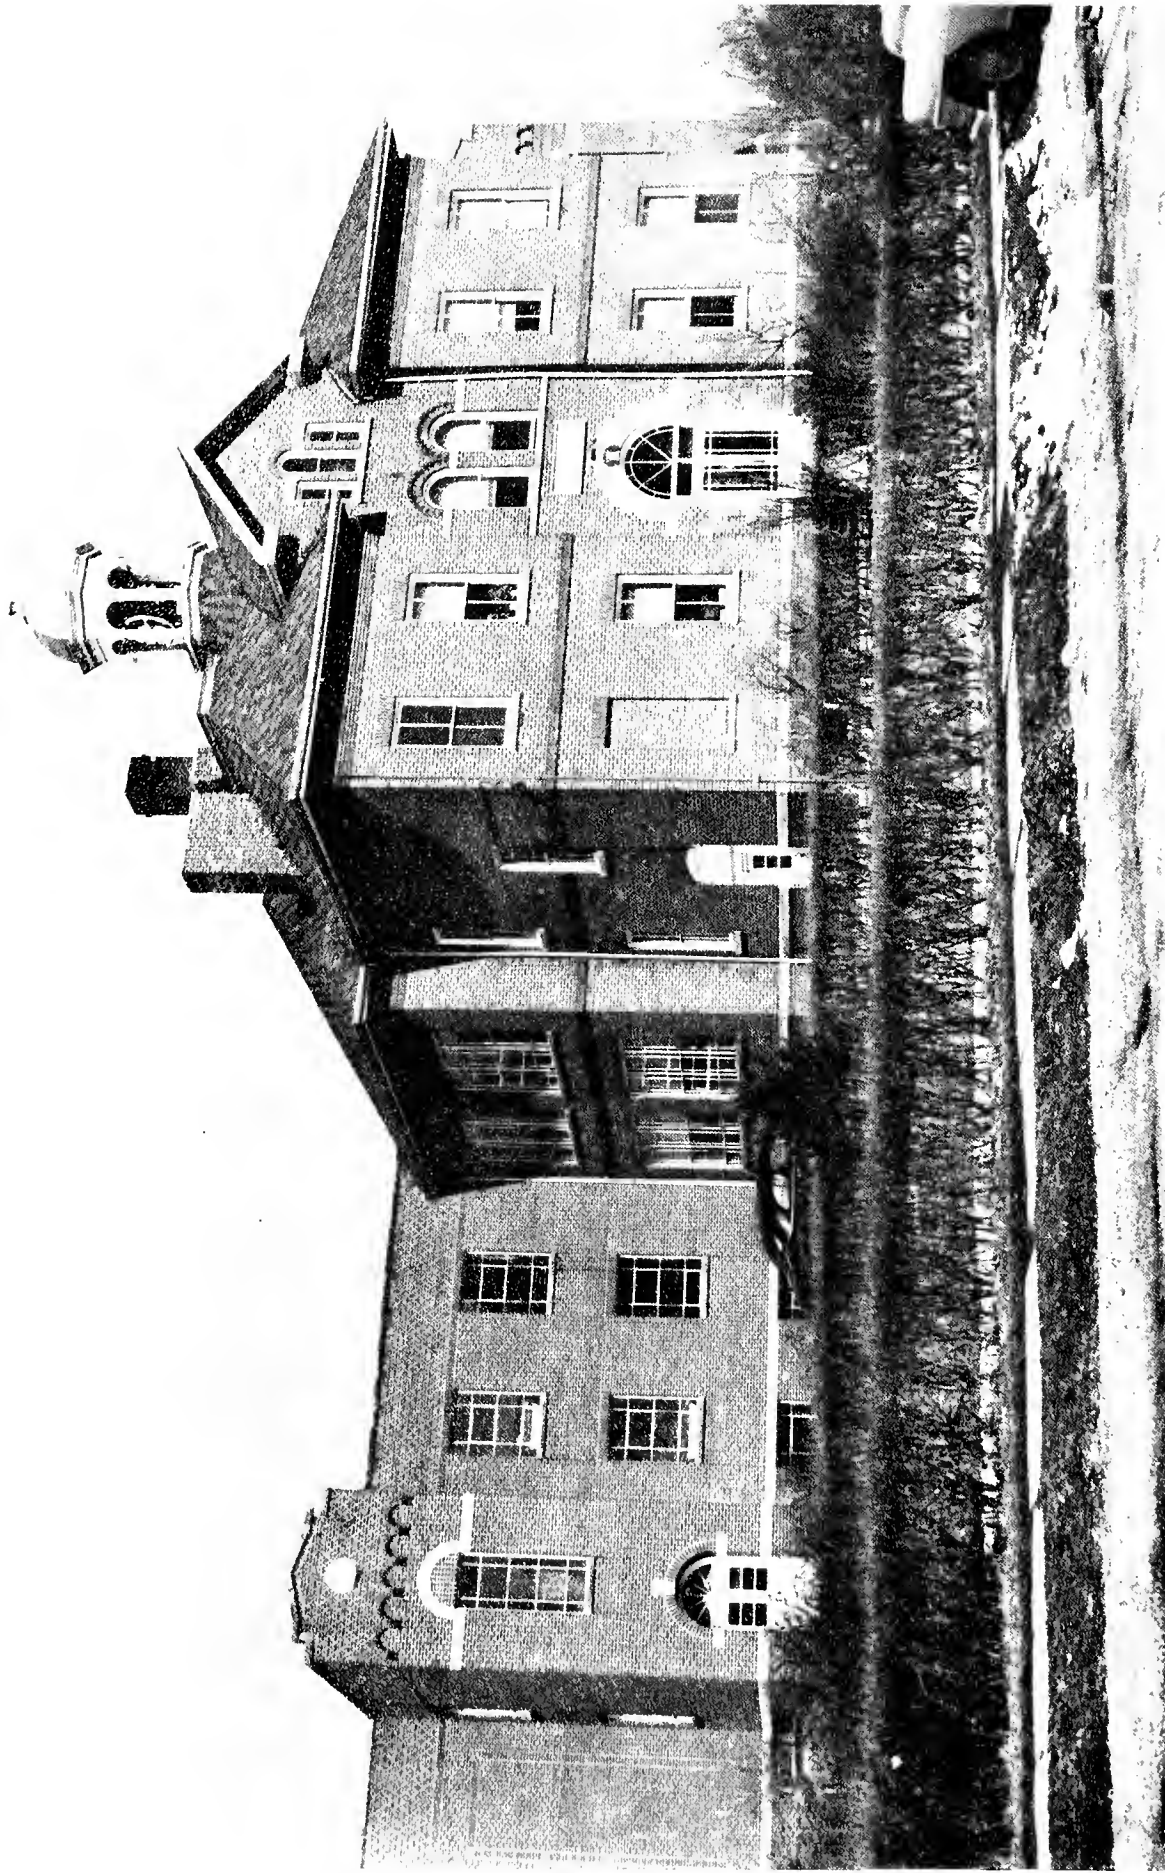

Succeeding superintendents through 1955 are:

1905-1914	Peter Fostnaught
1914-1915	Albert Wistner
1915-1917	Omar Pond

History of Our School

In 1856, land was obtained for a frame one-room building. The second building was a one-room brick structure.

A two-room brick building was constructed on the present school site in 1895, and it was here that Wren High School had its beginning in 1905. In 1908 this two-room structure was torn down and the old section of our present school house was erected, the newer section having been added in 1928. At first there were just two years of high school, the first class graduating in 1907; then in 1916, the State gave its approval for the third year of high school work, and in 1926, for the fourth year of study.

Dedication

To Mr. Herbert Wise, our Superintendent the entire four years of our high school career, we dedicate our first annual, the "Eagle". As both teacher and superintendent Mr. Wise proved himself a capable and conscientious advisor, always willing to do to the best of his ability those measures which we, as a class, undertook. In remembrance of his thoughtfulness and consideration, we express our humble appreciation.

History

Early in the month of September 1943, Wren High School welcomed nineteen ill-assorted youngsters to learn their three "R's" under the supervision of Mrs. Stephen.

In our second year, our teacher was Mrs. Stephen, who taught the first semester, and Mrs. Moser taught us the second semester. We lost one and gained one member which still left us a total of nineteen.

Our third year teacher was Mrs. Coffelt. We gained two members and lost three making a total of eighteen members.

Our fourth year, under Mrs. Cowen, we gained four, which made us a total of twenty-two members.

Our fifth year we had Mrs. Rudder as our teacher. We lost two and gained two making a total of twenty-two members.

Our sixth year we had Mr. Roop as our teacher. We gained three members and lost seven making a total of eighteen members.

Joyfully, we entered our seventh grade year. Our sponsor was Mr. Kreischer. We gained one and lost four making a total of fifteen.

Our eighth grade year we gained three and lost one member. We had Mr. Kreischer as our sponsor again. We took our state tests this year.

When we registered as Freshmen in high school in September of 1951, we lost one and gained two members. Miss Merten was our sponsor. We were initiated by the Sophomores and were given a party at night.

The next year, 1952, we were Sophomores, and of course we were proud that we were no longer "green Freshmen". Miss Merten was our sponsor. We attended a hockey game in Fort Wayne and we also initiated the "green Freshmen". We had a total of seventeen members this year, gaining one.

We shall always remember our Junior year, which was very exciting. Our sponsor, Miss Merten, did a wonderful job directing our class play, "Antics of Andrew". We worked very hard on the Junior and Senior Prom, which was "Under Water Fantasy", and we enjoyed every minute of it. We lost one member which left us a total of sixteen. Phylis Weaver was nominated as a candidate for Valentine Queen.

In September 1954, we sorrowfully began our Senior year. Miss Merten, our sponsor, left us and Miss Palmer and Mr. Kreischer were our sponsors. We had a total of fifteen members. We worked very hard on our first annual, "The Eagle". We made plans for our class trip which everyone is looking forward to. We had a lot of fun working on our class play which Miss Meeker directed. Janet Germann was nominated as a candidate for Peony Queen.

Prophecy

In the year of 1965, as I gaze into my crystal ball, I can see that the graduating class of 1955 has reached its goal.

One of the first I see is Gary Dickson. You cannot turn on the radio to station WSMZ without hearing the most famous singer and guitar recording artist. Gary said he had just spoken to one of our classmates, Jack Custer. Jack is in the poultry business. If you want a good chicken dinner see "Happy Jack".

I now look into my crystal ball and see that in New York the National Liars Contest is being held. Who is the winner? None other than Gene Baker for he really told a whopper. Gene said Kay Poling was also in New York. She is now a Paris model whom everyone adores.

I see that Bob Turner has joined the Marines. He is the best drummer in the band. Lester Storm, who has won the Indianapolis "500" race five times, is living in Michigan. He is working for Clair Dudgeon who designs and manufactures his own sport cars. Lester is his head test driver. Connie Hakes is the head nurse in the hospital where Lester spends his time after he has a wreck.

I hear that Gene Case is in Alaska. He does a lot of trapping. So far, he has made a fortune at it.

Don Brown plays pro basketball for the Dozers. They tried to get Bill Beard to play with them, but he said he would rather stay home and sleep while his wife works.

I see that Janet Germann is running for Miss America. It looks as though Janet has a pretty good chance of winning. I also see that Alice Ann Gehres has won an award in New York for the world's best opera singer.

As I look towards home, I see Jerry Agler sitting on the porch of his large home on his four hundred acre farm. He is reading the school news in a newspaper. It says that Wren School has just built a new building and has a kindergarten. Phylis Weaver is going to be the teacher there.

That was a pretty long gaze into the crystal ball. I saw each of my graduating classmates. They all like their occupation. I hope that all of them will have a long and prosperous life. GOOD LUCK!

Class Will of 1955

The Seniors, having been brought before "The Wise One," were told that on May 25 we must die. We have therefore drawn up a will leaving a few of our earthly effects and remains to our closest and dearest friends.

According to statistics, we, the Senior Class of Nineteen Hundred and Fifty-Five, have been judged to be of poor health, and having a good sound mind, do hereby state the following facts to be our last will and testament.

To the Junior Class we bequeath our ability to earn money easily and our row of seats next to the windows in the study hall.

To the Sophomores we will our ability to study hard and get along with the teachers.

To the Freshmen we will our four years of hard work and good luck.

To all the classes we leave all the good times we have had together through our precious twelve years of school.

To all the teachers we will our thanks and appreciation for their fine teaching and guidance and most of all their "PATIENCE."

We, the boys of the Senior Class, will our ability to get our assignments to the Sophomores.

We, the girls of the Senior Class, will our ability to have slumber parties and miss school the next day, and also our good times together, to the Junior girls.

The following individual bequeaths were made by the deceased Seniors:

I, Jerry "Sparry" Agler, will my physics book to Ralph Garwood and my seat in the study hall to Barbara Kirocofe.

I, Kay "Unconscience" Poling, will my intelligence to Ivan Hurless and my troubles and problems to Barbara Kirocofe.

I, Bob "Dugan" Turner, will my basketball suit to Velma Germann and my "out of this world" hair cuts to Elmer Giessler.

I, Clair "Dudge" Dudgeon, will my ability to make explosives in chemistry lab to Mary Egly and my intelligence to myself.

I, Connie "Con Con" Hakes, will my excellent health to Billie Lou Priddy and my good grades to Bob McLean.

I, Jack "Fat" Custer, will my ability to get along with Mr. Johnson to Henry Germann and my ability to raise ducks to Jim "Duke" Myers.

I, Gene "Lover Boy" Baker, will my seat to Dick Beard and my ability to get along with the girls to Ivan Hurless.

I, Gary "Gus" Dickson, will my ability to sleep in the study hall to Bill Tumbleson and my seat next to the window to any fool who wants it.

I, Alice Ann "Annie" Gehres, will my clarinet to Jim Myers and my short dark hair to Thelma Whitaker.

I, Lester "Les" Storm, will my butch hair cut to Ralph Garwood and my good looks to Velma Germann.

I, Jarlet "Jan" Germann, will my shorthand book to Marilyn Myers and my long hair to Dick Beard.

I, Bill "Pea Head" Beard, will my ability to have fun in the bus garage during Ag period to Mary Egly and my ability to skip school to Bill Tumbleson.

I, Don "Sorghum" Brown, will my ability to get to school on time to Elmer Giessler and my basketball suit to Billie Lou Priddy.

I, Phylis "Phil" Weaver, will my ability to have fun to Thelma Whitaker and my cheer-leading suit to Henry Germann.

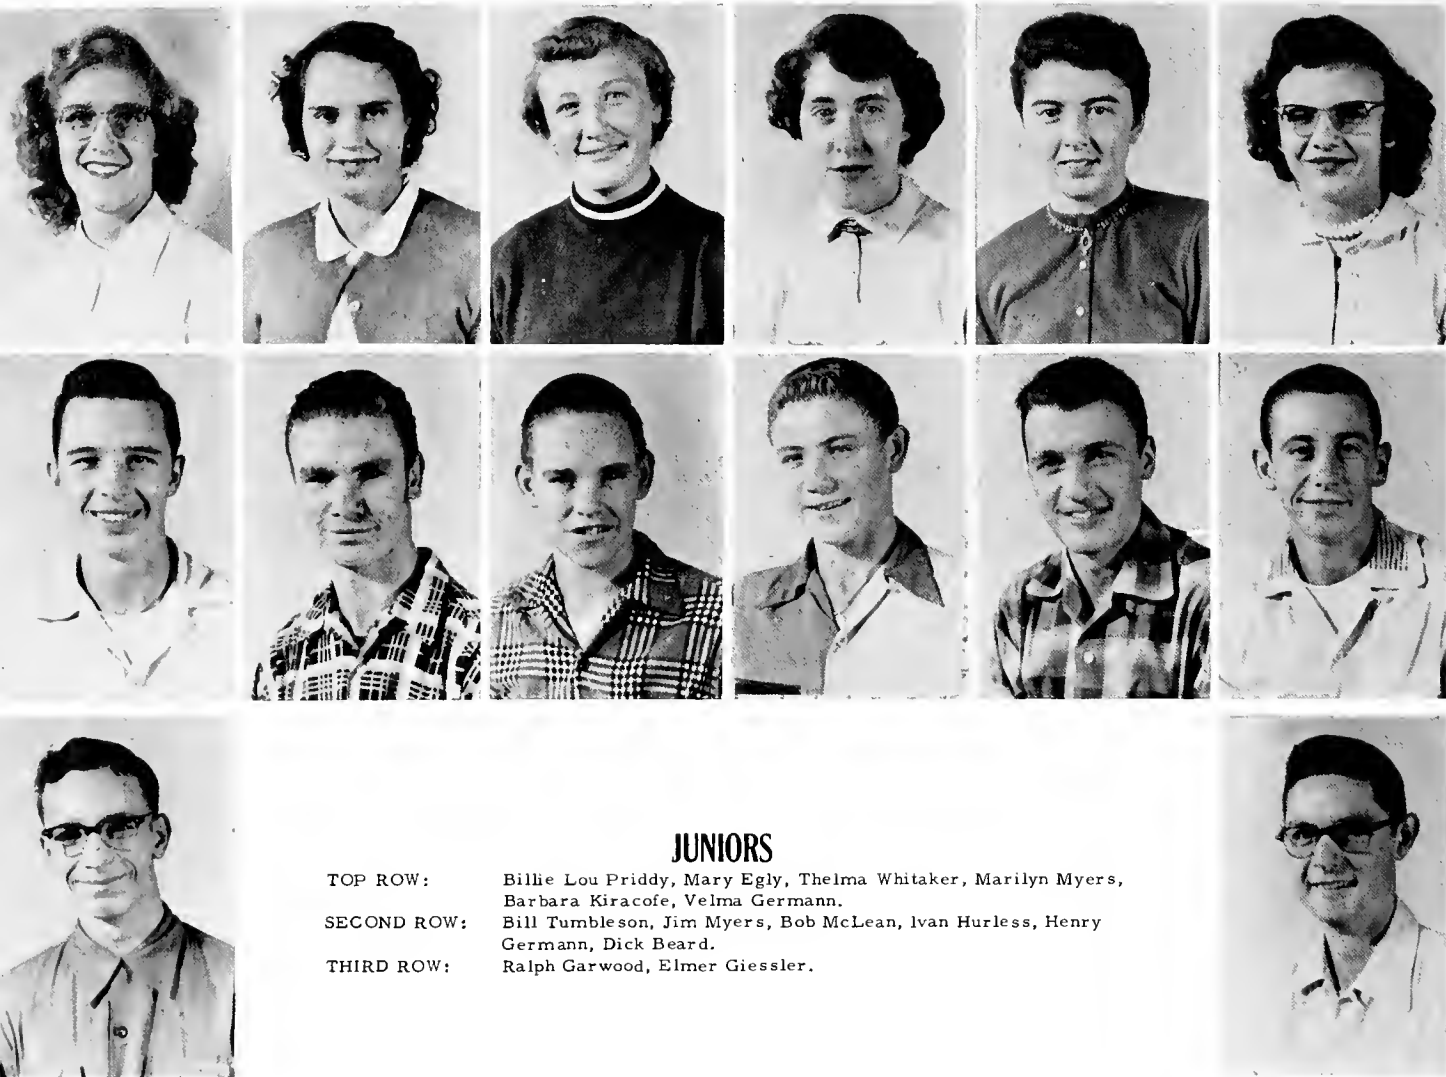

I, Gene "Casey" Case, will my Liberace hair style to Jim Myers and my ability to get kicked out of class to Marilyn Myers.

This will has been witnessed by all members of the Senior Class and thus we declare the aforesaid to be the last will and testament of the Senior Class of 1955.

Junior Class History

In September of 1954 there were fourteen of us as Juniors at Wren. At first we thought it was going to be easy but as the year progressed we decided we better study harder.

It has been quite a struggle these past ten and one half years but here we are almost Seniors.

Henry German is our President this year and Marilyn Myers is our Vice-President, Secretary and Treasurer. It is quite a task for her to keep up the books because she is also the president of the Y-Teens.

This year we had our first personal appearance in front of parents and school children. We gave our Junior Class Play October 22 entitled "Babies Night Out." We had a wonderful time planning for it.

Some of our activities the past few years have been bake sales, going to hockey games, serving at ball games and now we are planning our Junior-Senior Prom.

We received our class rings this year and we were thrilled when they arrived because we have been looking forward to getting them ever since we have been in high school.

We are now looking forward to the day when we will be classed as Seniors and will occupy the seats that the Seniors occupy this year.

Junior Class Play

The Junior Class of 1955 presented their Junior Class play, "Antics of Andrew," directed by Miss Merten.

Andrew, Willie, and Harold are in college and are the very best of pals. Andrew gets a large sum of money from his rich uncle to support his wife and mother-in-law which do not exist. Andrew is in a fix when his uncle writes and says he is coming for a visit. Andrew has to think quick so his pals dress up as his wife and mother-in-law. Julie, Betty, and Althea, the boys' girlfriends, are wondering what is going on. Julie and Betty's Uncle Boynton is really an "old dear" and he is always asking them to watch their slang. It is very funny when Andy's uncle comes and everyone finds out about Willie and Harold posing as a wife and mother-in-law and Andrew's confessing. But everything turns out swell when Althea says "yes" to Andrew's proposal.

Junior and Senior Prom

The 1954 Junior and Senior Prom was held May 7th in the school gym. The theme for the event was "Under Water Fantasy." The gym was decorated with aqua crepe paper. A huge octopus, the bottom of a light house, two mermaids, and lighted shells were the main attractions. The servers, who were dressed as pirates, made their entrance through a wrecked ship.

After the banquet and program everyone enjoyed dancing to the music of Truman Martin and his orchestra.

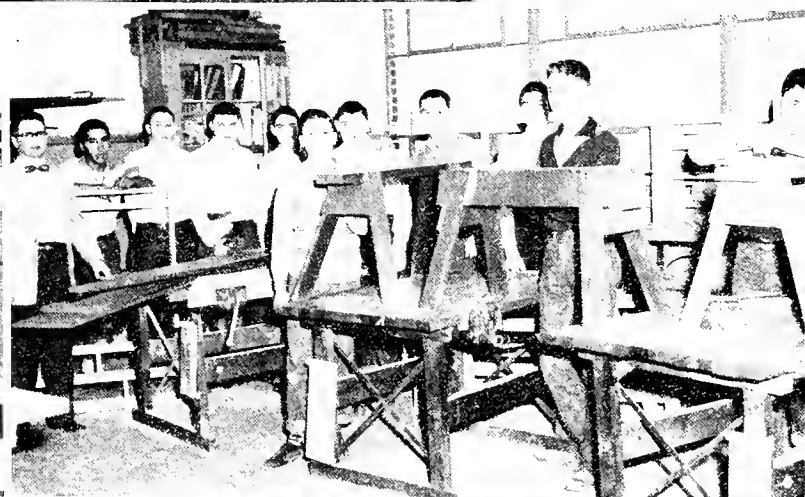

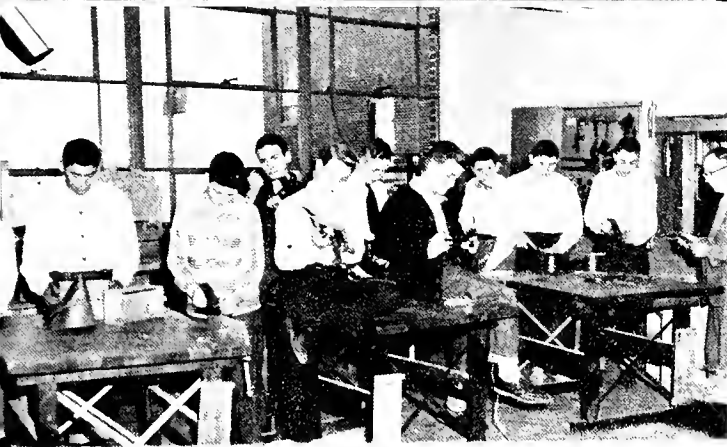

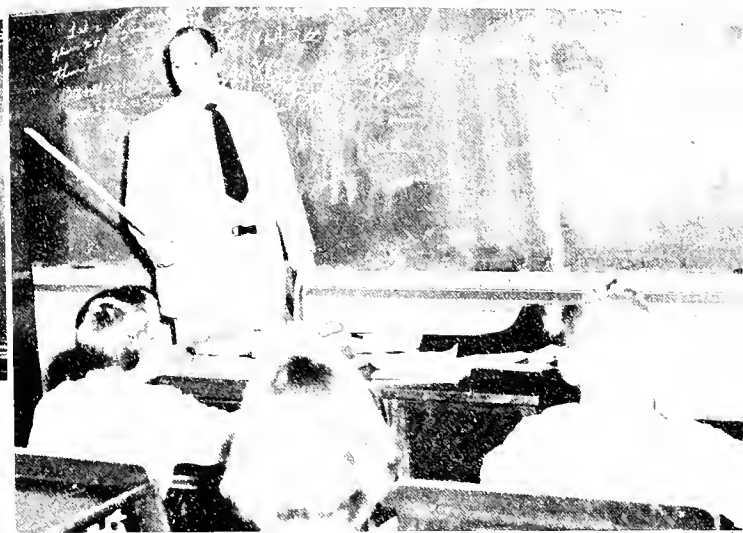

Senior Class News

"Our Aim Success, Our Hope To Win" was the motto chosen by the Seniors. Blue and white were chosen as the class colors and the white rose as our flower.

Mr. Robert Christy, who is superintendent of Delphos High School, was chosen to be our Commencement speaker. Mr. Hans Wiedenmann will give the sermon at Baccalaureate.

We also made plans for our class trip. We leave Van Wert on May 29 and arrive in Washington on Monday. Three days will be spent in Washington and we will stop in Philadelphia on the way to New York where we will spend the remainder of the week. We leave New York on June 4th and arrive home on the 5th.
